

Celebration: The Nutfield Grove Playgroup, in Filton, has been given £500 from the Let's Make It Happen fund

Cash windfall for mums and kids at playgroup

THE NUTFIELD Grove Playgroup is to receive a slice of the Let's Make It Happen fund to help buy and redecorate a covered area where children can play.

The playgroup will receive £500, to help toward the purchase of the new covered play area, from the Combined Insurance and *Evening Post* community fund.

Bosses at the 20-year-old group said it was time to get a revamp so the 42 children who attended would continue having fun and learning through play.

Anna Curry, the mother of seven-year-old Hadyn and Owen, aged four, who attended the playgroup, said: "The money will be spent to improve the outside and inside decorations at the playgroup. My sons went there for a couple of years and they really loved it.

The staff are so friendly and nice."

The playgroup, with five staff, encourages children aged from two-and-a-half to five years old to mix with their peers while following the national curriculum.

Under the Let's Make It Happen Great £10,000 Community Giveaway, a share of the cash prize is being given to individuals, groups and charities to benefit the community.

Clive Robinson, managing director of Combined Insurance, said: "We're delighted that the Community Awards have had such an immediate impact on the local community in Bristol.

"We're looking forward to seeing the dreams of other winners being realised in the coming months."
