## CASH GIVEAWAY

**T**HE Evening Telegraph today launches an exciting offer to help benefit communities in Dundee, Angus, Perthshire and Fife — with £10,000 up for grabs.

Our Make It Happen award scheme is sponsored by Combined Insurance, which has five offices in the UK and offers accident and health care insurance to more than 600,000 policy-holders.

A share of the £10,000 will be given to groups, schools, organisations or individuals who are trying to benefit the community.

For example, it might be £40 to take deserving children on an outing; or £2000 to redecorate a pensioners' club. The money might cover the whole of the project cost or just part of it.

We want to know about your plans and projects to see if we can help Make It Happen. To enter, tell us how much you would need and on what you would spend it.

All entries must include a name, address and a daytime telephone number.

The closing date is September 30 and a panel of judges will choose the deserving causes.

The organisers will then be invited to a special award ceremony later this year.

All entrants must agree to take part in any publicity associated with the scheme.

Suggestions should be submitted by post to **Make It Happen, Evening Telegraph, 80 Kingsway East, Dundee DD4 8SL**; or by email to [makeithappen@eveningtelegraph.co.uk](mailto:makeithappen@eveningtelegraph.co.uk). You can also visit our website at <http://www.eveningtelegraph.co.uk/makeithappen>.

If you have any queries, or want to know if you could qualify for a share of the cash, you should phone **01382 575231 between 10am and 4pm, Monday to Friday**; or email [makeithappen@eveningtelegraph.co.uk](mailto:makeithappen@eveningtelegraph.co.uk).

**T**HE prize fund has been provided by Combined Insurance, who operate throughout the UK. The company has 16 sales people in the Dundee area and around 5000 customers. Combined chose to stage their awards programme in Tayside and Fife because it has a high concentration of customers in the area.

Clive Robinson, who joined the company as an accounts clerk in 1972, has been managing director since 2001. He explained the reason behind the company's involvement.

"Combined Insurance is committed to a philosophy of investing in people. Through this award scheme we will put our philosophy into practice. By running this programme we believe we can bring funding to grass roots level within a community and find the most meaningful way of spending our money.

"This campaign allows us to demonstrate our belief that if you give people an opportunity, no matter how small, it can make a real difference. Throughout this award scheme I believe that we will see examples of the fantastic work that people are doing and who, with a little help, can do a great deal more.

"This is a real opportunity to Make It Happen."
