WIN FA PASSE GREAT

Combined Insurance link-up is good news for us all ...

**WE'VE
£10,000
TO GIVE
AWAY!**

By JILL BUCHANAN
REPORTER

MAKE it happen for your community with a share in a £10,000 windfall!

That's the exciting offer from *The Falkirk Herald* and Combined Insurance who have joined together to offer people in Falkirk district the chance to apply for a slice of the spectacular jackpot.

Community groups can apply for a cash payout ranging from £50 to £1000 to carry out projects in their area.

It can be anything from painting a church hall to buying specialist equipment, organising a trip for youngsters to arranging a treat for pensioners.

All they have to do is write in and say how much they want and how the cash will be used.

CLIVE ROBINSON ... Combined Insurance is committed to "investing in people, enhancing lives and building for the future"

Every suggestion will be scrutinised and the successful applicants will receive their cheques at a special event towards the end of the year.
Falkirk Herald editor Colin

Hume said: "There are hundreds of groups in our area doing great work and we're delighted to be able to help them thanks to this link-up with Combined Insurance.
"We hope this scheme will make life a bit easier for the groups and put smiles on a few faces."

Deserving

Combined Insurance managing director Clive Robinson said the company looked forward to the partnership which he believed would be a huge benefit to the community.

He said: "Combined Insurance is always getting requests for sponsorship from various community groups, but it is so difficult to decide which is the most deserving.

"By running this programme, we believe we can bring funding to grass roots level within a community and find the most meaningful way of

spending our money.

The managing director said his company was committed to a philosophy of "investing in people, enhancing lives and building for the future". The awards scheme would put that philosophy into practice.

He added: "Throughout this competition, I believe we will see examples of the fantastic work people are doing and who, with a little help, can do a great deal more. This is a real opportunity to make it happen."

Combined Insurance was set up in 1963 and is based in Kingston-upon-Thames, London. It has four UK offices and offers accident and healthcare insurance to more than 600,000 policyholders in the UK and Ireland.

It has operated in the Falkirk area for 40 years and has around 2000 customers locally, who are served by 15
